

INTERNSHIP OFFER FORM

If you are interested in this internship offer, please contact the ELAN team at the email addresses below. The team will forward your application to the host organization if it meets the requirements of the position.

ABOUT THE ORGANISATION

Activity	Faces of Cancer Saint Lucia started in 2009 to assist patients going through their cancer journey. In 2011 Faces of Cancer Saint Lucia (FOCS) has a membership of over 215 persons from Castries and Dennery. All services and social events offered to survivors of the group are free of charge. Services include education, health fairs emotional and spiritual support, and chemotherapy and post-surgical support. FOCS is currently developing activities beyond cancer advocacy towards involvement in patient navigation and research on cancer risk factors, patient education, health promotion, and access-to-care.
Country	Saint Lucia
